Meeting called to order 7:06 pm

Team Good News:

- Upcoming Swim & Dive State Meet-Huron will have six swimmers and five divers
- Soccer is doing well.
- Cross Country had a great season and made it to the state level.
- Water Polo took sixth place and had three All-American players.
- A lot of changes going on in Football.

AD Updates:

- Coaches will have to have a parent rep who will be required to attend the Boosters Meetings
- Tennis courts are 98% done.
- Football field is going to be re-done for the Fall 2020 season.
- The flaming H logo will have a new look that will appeal to all sports.

Membership Report:

Concessions Update:

- In March we will put together a mandatory list of repairs for the stands.

- Last week of November we will have another training. This will be communicated to coaches
- Considering getting rid of ovens and instead purchase a warmer on wheels.
- Looking for a standalone freezer for the stadium concessions building.
- Can we use the concessions money for banners, need to make a call to the accountant to see if this money is earmarked.
- Going forward, Michelle Julian will put all twelve dates for concession trainings up on the boosters website.
- Michelle will give Val a list of times that are available to work the upcoming home games.
- We can include a link for our site with a message that says “Sign up for Trainings Here”
Can this short one sentence message go out as a standalone email from the Athletic Director at the key training times-once before the fall season and once before the spring season.

Treasurer’s Report:

- Membership through the end of 10/31/18 is not at target
- Michelle Julian will be the authorizer for the new Booster credit card account.
- A Google Form to fill out to become a member will be released when the credit card piece gets up and running.
- What are the check disbursement dates? They are going in small batches and not according to a schedule.

Grants:

- Swim & Dive is the only grant we have received since the last meeting.

Scholar Athlete Event:

Michelle Julian will run a report of students with qualifying GPA (3.2) and those students will receive a postcard in the mail. These students also have to have paid the insurance fee in order to be eligible. These go into a fishbowl to be used at the event.

Fundraising-Drive for Your School:

We are moving forward with this event for certain. We are looking to schedule this the same night as the Scholar Athlete Event, possibly May 1 or May 2. Currently, there is a choir event scheduled that night as well as an additional sporting event and possibly an orchestra concert.

**Next General Membership Meeting is: Monday,
January 28, 2019 at 7:00 pm in the Huron Cafeteria**
